Dear

I wish to express to you my sincere appreciation for making the necessary arrangements for members of my staff to tour the STAT My men have reported that their STAT time was most profitably utilized in viewing the internal and external configurations of the facility, the missile assembly and check-out area, and that the many lucid explanations were most helpful.

Especial thanks should be given to who STAT most graciously spent the day guiding the men through the installations.

Thank you again for your most generous cooperation.

Sincerely,

Arthur C. Lundahl
Director
